Paul Snavely
 9735 Twp. Rd 138
 Republic, OH 44867

2020 OMPA Annual Meeting and Banquet Itinerary

District Three is the host for the 2020 OMPA Annual Meeting and Banquet. We are gathering at the Mohican State Park Lodge for this year's event. We have a block of rooms at the rate of \$109 plus taxes. Standard Double (2 beds) and Queen view (2 beds) are available at this rate. Call the reservation line at 419-938-5411 to reserve a room. Please reserve early as the lodge will fill quickly that time of year. Friday evening will be the banquet with a silent auction and the maple syrup tasting for this year's bragging rights for Ohio's finest maple syrup. Saturday morning will be educational presentations at Mohican Lodge. We will make the

short trip to Mansfield OSU in the afternoon to tour the Forestry and Maple research facility.

We hope to make this a family friendly event.
