Step up to our Syrup Sample Bar for a full tasting experience. You will start by tasting sap for which our business was named "sweetwater" because it has the consistency of water with a bit of sweetness. Next, taste the difference between early-season, mid-season and late-season syrup as well as our Bourbon-Barrel Aged Maple Syrup. Finish off by sampling some of our maple confections made in-house; maple candy, maple cream, maple glazed nuts and maple popcorn which will be made fresh that day! You will also see syrup being made in our new evaporator! Hope to welcome you soon!

BURTON, OH ~ PANCAKE TOWN USA

www.pancaketown-usa.com

This March will be our 93rd season on the square in Burton where volunteers will tap trees, gather sap and boil syrup. In addition for over 70 years Burton has hosted "all-you-can-eat" pancake breakfasts. Once again pancakes and sausage will be cooked and coffee brewed for thousands more people who make this a yearly tradition.

The Burton Log Cabin* will be making maple syrup and maple candy. An Antique and Craft Show will be in full swing at the New High School. The Burton Public Library will host book sales and Century Village Museum will bustle with activity. Local shops will be stocked with new ideas for spring and ready for visitors.

But don't despair... you can still have unique & delicious pancakes even after the season ends. All year our local restaurants serve a variety of pancake selections and they all offer pure maple syrup!

*The **Burton Log Cabin** is a working sugar house producing maple syrup every spring and making maple candy year-round. It is operated by the Burton Chamber of Commerce and serves as a resource center for information about Burton and the surrounding area.
